Confidential Document Destruction Services

Identity theft costs businesses and individuals many billions of dollars each year. Most identity thieves obtain their information from traditional paper-based sources. Think prevention, not reaction. Pinewood Inc. provides businesses, government entities and private individuals with a secure, economical and effective way to dispose of their sensitive material, at highly competitive rates.*

Regularly scheduled or single-service visits.

- Design a revolving daily, weekly or monthly schedule with us to ensure that your documents are continually purged.
- Schedule a one-time pickup, whether for a single box or an entire warehouse full of material.
- Free pickup of material (most vendors add an additional fee).
- Drop off your material at either of our sites, M-F, 8am - 4pm.

Locked "Executive" style cabinets.

- Dimensions: 36" x 19" x 19" (other sizes available).
- One-way front-loading feed slots to prevent access to your material before its shredded.
- Neutral color blends with any environment.
- No need to separate out staples, paper clips or other binders. We handle everything!
- All cabinets provided at no additional fee.

High-volume locked containers.

- Dimensions: 40" x 24" x 24" (64 gal), 46" x 27" x 35" (94 gal) (other sizes available).
- Perfect for mail rooms, store rooms or copy rooms.
- Top loading for large scale disposal.
- Extremely durable and wheeled for ease of maneuverability.
- All containers provided without additional fee.

All manner of material accepted.

- Paper (any type, size or thickness).
- Imaging material (diagnostic x-ray film, negatives, microfiche, aperture cards, film reels).
- Identification/banking (credit cards, driver's licenses, passports, ID tags, photos).
- Pull-tabs.

Environmentally responsible.

- All shredded material is completely recycled (over 1.2 million lbs. to date!).

Confidentiality guaranteed.

- Certificate of Destruction provided upon completion.
- Fully bonded and insured.
